Dear Mr. Musgrave

This is an interim response to your Freedom of Information Act (FOIA) request dated 20 September 2012 requesting CONPLAN 3502: Civil Disturbance Operations. Your FOIA request was assigned FOIA case number FY12-21SEP2012-NNC65.

Your request is complex and involves extensive reviews of the document and consultation with other Department of Defense (DOD) components and agencies. Furthermore, the requested document will require multiple levels of review within DOD. Accordingly, USNORTHCOM will be unable to make a release determination on your request within the twenty-day statutory time period. We apologize for the anticipated delay in responding to your request. We are unable to estimate when the processing of your request will be complete. Your continued patience is appreciated. We can assure you that we are doing everything we can to provide you with an expeditious and prompt release determination.

If you have any questions about this request, please contact our FOIA office at (719) 554-7185 or DSN 692-7185 or via email at nc.foia.omb@northcom.mil.
